Education

- 1- General Medicine, Iran University of Medical Sciences, from 1987 to 1995.
- 2- Anesthesiology, Iran University of Medical Sciences, from 2003 to 2006.
- 3- Fellowship of the short-term supplementary course "Acute Pain", Iran University of Medical Sciences, in 2007.
- 4- Intensive Care Specialist, Iran University of Medical Sciences, from 2008 to 2010

RESEARCH PROJECT

- 1- Assessment of nutritional status and clinical outcomes in intensive care unit patients based on the screening tools
- 2- Assessment of relationship between constipation and clinical outcome in ICU patients in fall 2020
- 3- Prevalence of nosocomial infections in intensive care units of Rasoul Akram Hospital and determination of stewardship program and phenotypic resistance pattern of isolated bacteria
- 4- The effect of automatic tube compensation on internal PEEP in chronic obstructive pulmonary disease in intensive care unit
- 5- the effectiveness and side effects of concomitant use of Hemoperfusion and Plasma in the treatment of pneumonia caused by coronavirus (COVID-19)
- 6- Comparison of 4PF and Clinical Score Test 4T in terms of Diagnosis of Heparin-induced Thrombocytopenia in ICU Patients in Rasoul Akram Hospital in 2018
- 7- Evaluation of the effect of modafinil in improving the consciousness of patients with Coronavirus 2019 (COVID-19) with loss of consciousness and comparison with placebo during the 2019-2020 pandemic
- 8- Determination of the relationship between infection rate and energy-protein intake in ICU patients in Rasool Akram Hospital in the first half of 2020
- 9- Relationship Serum vitamin D levels with nutritional status and inflammatory factors such as CRP in ICU patients in Rasoul Akram hospital in first half of 2020
- 10- Relationship between Mini Nutritional Assessment Score and infection in critical care patients
- 11- Designing a Model to predict ICU patient's weights and heights using anthropometric parameters Ulna Length Mid Upper Arm Circumference
- 12- Evaluation the effects of Pycnogenol extract supplementation on the inflammatory biomarkers nutritional and clinical status in traumatic brain injury patients in Intensive Care Unit Randomized Clinical Trial
- 13- Study of the causes of medical errors in intensive care units in the last 5 years
- 14- Investigating the Microorganisms of Hospital Infections in Rasoul-e-Akram Hospital in 2017
- 15- investigating the role of early fibrinogen administration in patients with multiple trauma, suffering from Hemorrhagic shock when they go to the emergency department

- 16- Evaluation of effectiveness of different dosage of neostigmine in combination with metoclopramide, on gastric residual volume, in enteral nutrition, in hospitalized trauma patients who are in ICU.
- 17- comparison invasive and clinical intra cranial pressure changes in traumatic brain injury patients admission in intensive care units of rasool akram hospital
- 18- comparison invasive and clinical intra cranial pressure changes in traumatic brain injury patients admission in intensive care units of rasool akram hospital
- 19- The study of intravenous selenium effect in outcome of patients with acute traumatic brain injury

THESIS & FIRST SUPERVISOR

- 1- assessment of nutritional status and clinical outcomes in intensive care unit patients based on the screening tools
- 2- Prevalence of nosocomial infections in intensive care units of Rasool Akram Hospital and determination of stewardship program and phenotypic resistance pattern of isolated bacteria
- 3- Investigating the relationship between qSOFA and the incidence of thrombotic diseases (deep vein thrombosis and pulmonary embolism) in hospitalized patients in intensive wards of Hazrat Rasool Akram Hospital
- 4- Serum vitamin D levels and its association with nutritional status and inflammatory factors such as CRP in ICU patients in Rasool Akram hospital in first half of 2020
- 5- Relationship between Energy-protein intake and infection rate in critical care unit patients in the first half of 2020
- 6- Relationship between Mini Nutritional Assessment Score and infection in critical care patients
- 7- the current state of antimicrobial stewardship in management of nosocomial infection in ICU (Rasool Akram hospital)
- 8- Designing a Model to predict ICU patients weights and heights using anthropometric parameters Ulna Length Mid Upper Arm Circumference
- 9- Study of the causes of medical malpractice in intensive care unit in the last 5 years
- 10- appointment of level of serum selenium for critically ill in SICU, MICU & neuro ICU in rasool akram hospital at 2015
- 11- effect of colistin inhalation as adjunctive therapy on MDR acinetobacter VAP
- 12- Investigation of resistance to metallo-beta-lactamase in clinical strains of Pseudomonas aeruginosa isolated from mini-Broncho Alveolar Lavage samples of patients hospitalized in Hazrat Rasool hospital
- 13- The effect of spironolactone on the clinical characteristics, laboratory, and echocardiography in patients with heart failure Preserved EF in Hazrat Rasool Hospital in 2015-2016
- 14- the comparison of intravenous pantoprazol with suspension pantoprazol in preventing peptic ulcers based on monitoring of PH24 h patients hospitalized in Rasool akram ICU in 2016
- 15- Compare the two methods of monitoring the treatment of SIRS clinical routine monitoring with serum cortisol levels in patients admitted to intensive care unit of Hazrat Rasool Akram Hospital (PBUH) in 2017 as a randomized, single-blind pilot study
- 16- Determine incidence and outcome of renal dysfunction in patients affected by multi drug resistant pneumonia under treatment with colistin in hospital rasoolakram (2011-2016)

- 17- The impact of modafinil prescription on patients GCS with moderate brain traumatic injury in hazrate rasoul hospital ICUs in 2016
- 18- Comparison between the 4Ts scoring system and the antiplatelet factor 4/heparin antibodies test in patients in ICU in 2018
- 19- Evaluation of the patterns of IVIG utilisation at the training hospital of Rasool Akram of Tehran
- 20- Assessment of relationship between constipation and clinical outcome in icu patients in fall 2020
- 21- Evaluation of the Linezolid Drug using Pattern in Rasool-e-Akram's Teaching Hospital and its Rate of Compliance with Valid Global Guidelines
- 22- The effect of automatic tube compensation on internal PEEP in chronic obstructive pulmonary disease in intensive care unit
- 23- The investigation of vitamin D level and required dosage of prescribed insulin based on insulin therapy protocol in admitted patients with critical health condition in intensive care unit patient in Hazrate e Rasoul hospital in 2020-2021
- 24- The role of early fibrinogen administration in patients with multiple trauma and traumatic shock when referring to the emergency department
- 25- The study of anti-inflammatory effect of Plantago major on acetic acid-induced colitis in rats: relation with cytokines and a prostaglandin's regulation
- 26- The Evaluation of Adding Erythropoietin in Cardioplegic Solution on The Time Required for Mechanical Ventilation and The Need for Inotrop in Patients After CABG In Rasool-e-Akram Hospital in The First 6 Months of 2018

THESIS & SECOND SUPERVISOR

- 1- Evaluation of the effect of modafinil in improving the consciousness of patients with Coronavirus 2019 (COVID-19) with loss of consciousness and comparison with placebo during the 2019-2020 pandemic
- 2- Evaluation of the relationship between Base excess and Sofa Score in critically ill patients admitted to the intensive care unit of Rasool Akram Hospital in 2019
- 3- detecting the usage of apixaban drug in treatment of heparin induced thrombocytopenia
- 4- the assessment of the effect of topical atorvastatin 2% ointment in wound healing of diabetic foot compared to the routine treatments, a clinical trial
- 5- The investigation of vitamin D level and required dosage of prescribed insulin based on insulin therapy protocol in admitted patients with critical health condition in intensive care unit patient in Hazrate e Rasoul hospital in 2020-2021
- 6- The Evaluation of Adding Erythropoietin in Cardioplegic Solution on The Time Required for Mechanical Ventilation and The Need for Inotrop in Patients After CABG In Rasool-e-Akram Hospital In the First 6 Months of 2019

BOOK

- 1- Translation of Harrison liver and bile duct diseases, 1995, 256 pages.
- 2- Translation of Harrison Kidney Diseases, Asharat Publications, 1999.
- 3- Compilation of the book of promotion questions and anesthesia board of the last four periods with descriptive answers, Teymourzadeh Publications, 2005, 192 Inventory Expiration Page.
- 4- Translation of Miller principles of anesthesia 2007, Andisheh Rafi Publications, three reprints (2008 and 2010), 728 pages-Completion Inventory.
- 5- Translation of the book critical care medicine fink, reference of intensive care flow assistants, Teymourzadeh Publications . Print 2011.
- 6- Compilation of the book of classified questions of intensive care nursing, Publications of the Center for the Publication of Human Medical Sciences, 348th edition. 2010. second edition.
- 7- Translation of anesthesia and accompanying diseases 2009, Andisheh Rafi Publications, 2010 edition, 816 pages (Board Exam Reference Anesthesia).
- 8- Editing the summary of Miller anesthesia principles 2007, Andisheh Rafi Publications, 2010, 295 pages.
- 9- Editing the book Anesthesia and accompanying diseases 2009 Andisheh Rafi Publications, 2010 edition, 816 pages (reference Anesthesia Board Exam).
- 10- Translation and compilation of a set of classified questions of Telan Intensive Care Nursing (Management and Diagnosis): Reference Entrance exam and master's degree exam in intensive care nursing, Bashari Publications, 2010, 304 pages.

PROFESSIONAL PRESENTATIONS

- 1- 4-hour hospital training course on Incident Command System-, 2012.
- 2- invaluable presence in 7th International Congress of Critical Care- 2020 as a member of the scientific committee as well as a speaker.
- 3- 2nd International Congress of Cardiac Anesthesiology 2019 at Razi International Conference Center, contribution and speech at the congress
- 4- instructor in a 40-hour training course on "Nursing Care in ICU-2015 of HR Education and Empowerment Committee
- 5- as a member of the scientific committee as well as a speaker 6th International Congress of Cardiac Anesthesiology & international congress of critical Care 2019 at Razi International Conference Center,
- 6- one-day workshop on "Echocardiography in Intensive Care" was held at the conference hall of Sina Hospital 2012,
- 7- "Intensive Care Programs was held at Imam Conference Hall-2011
- 8- 5th International Congress on Pulmonary Diseases, intensive Care and Tuberculosis, held by Research Center for Tuberculosis and Pulmonary Diseases on 2011
- 9- workshop on "Analysis of New Solutions in Nosocomial Infection Care System" in 2011
- 10- 8-hour educational course on "Nursing Care Station in ICU" in 2018,
- 11- 6-hour educational course on "Nursing Care Station in ICU" in 2018

- 12- Scientific Conferences of Rasoul Akram Educational and Medical Complex held in Tehran, Tehran University of Medical Sciences, in 2011
- 13- conference on Nutrition in Intensive Care Units was held in the city of Tehran by the Iranian Scientific Society of Intensive Care in 2019
- 14- conference on Nutrition Support for Severely Ill Patients in Intensive Care Units in the city of Tehran by the Iranian Scientific Society of Intensive Care in 2018
- 15- speaker a conference on Fundamentals of Mechanical Ventilation in Intensive Care Unit in the city of Tehran by Iranian Scientific Society of Intensive Care in 2018
- 16- COVID-19 Treatment in Tehran University of Medical Sciences in 2021
- 17- Management of Trauma Patients in the city of Tehran by the Iranian Scientific Society of Emergency Medicine in 2018
- 18- seminar on Clinical Challenges of Infectious Diseases in the city of Babolsar by Mazandaran University of Medical Sciences in 2019
- 19- conference on Renal Failure and Its Treatment in Intensive Care Unit in the city of Tehran by Iranian Scientific Society of Intensive Care in 2018
- 20- seminar on Hemostasis in Trauma by Tehran University of Medical Sciences in 2018
- 21- National Congress on Cardiac Anesthesia by Iranian Scientific Society of Cardiac Anesthesia in 2019
- 22- seminar on Sonography Applications in Pain Medicine, Regional Anesthesia and Intensive Care by Iranian Scientific Society of Regional Anesthesia and Pain in 2019
- 23- Nutrition Therapy in Cardiology by Shahid Rajaei Cardiovascular Medical and Research Center in 2020
- 24- Congress on Intensive Care Systems, Technology and Management by Shahid Beheshti University in 2018
- 25- 7th Annual Congress of Iranian Intensive Care by the Iranian Scientific Society of Intensive Care in 2019
- 26- 5th Annual Seminar of Iranian Intensive Care by the Iranian Scientific Society of Intensive Care in 2017
- 27- the 6th Annual Seminar of Iranian Intensive Care by the Iranian Scientific Society of Intensive Care 2019
- 28- 43rd annual Scientific Congress of Iranian Association of Surgeons by the Iranian Association of Surgeons in 2019
- 29- Annual Congress of Emergency Medicine by the Iranian Scientific Society of Emergency Medicine in 2018

APPOINTMENT LETTER

- 1- member of scientific committee for coronavirus critical care and treatment 2020
- 2- member of brain death diagnosis and confirmation group for organ donation 2021
- 3- member of the regional intensive care board of examination for a year 2019
- 4- member of the regional intensive care board of examination for 2 years
- 5- member of clinical knowledge management unit 2014
- 6- head of research affairs at IUC unit of anesthesiology department 2012
- 7- research council of rasoul akram hospital 2 years 2015
- 8- member of the educational committee of the complex 2015
- 9- member of research council of rasol akram hospital. 2 years 2014
- 10- Member of examination board of anesthesiology 2015

- 11- Member of examination board of anesthesiology 2013
- 12- member of training management committee for one year.
- 13- member of research council of rasool akram hospital-2 years 2015
- 14- member of the specialized anesthesiology commission of Tehran Legal Medicine Department for two years. 2020
- 15- anesthesiology expert of the Public Prosecutor' s Office law enforcement boards of the Medical Council 2014
- 16- member of the scientific committee & the article review committee of 1st International Critical Care Congress.2012
- 17- member of the scientific committee & the article review committee of 2" International Critical Care Congress.2015
- 18- member of the scientific & the article review committee of 3rd International Critical Care Congress.2016
- 19- member of the scientific & the article review committee of 4th International Critical Care Congress.2017
- 20- member of the scientific committee 5th -2018 by Iranian Critical Care Society
- 21- member of the scientific committee of 6th International Critical Care Congress.-2019
- 22- member of the scientific & the article review committee of 7th International Critical Care Congress.2020
- 23- physicians ' group is approved by the Central Board of Election Supervisors on 2013.
- 24- Member of Transfusion Medicine Committee.
- 25- secretary of blood bank committee of complex 2012
- 26- Member of medication and treatment committee
- 27- Member of executive workgroup of spatial planning, mission-oriented work, decentralization & university empowerment 2015
- 28- Head of operation at accident department in the chart of crisis and disaster committee of complex
- 29- Head of intensive care unit in the complex chart of crisis and disaster committee 2014
- 30- Member of the editorial board of namade rasool periodical
- 31- Head of IUC unite of the complex-2016
- 32- Member of mortality, side effects. Pathology and tissue committee
- 33- Member of committee for health information& information technology management
- 34- Member of breastfeeding committee
- 35- Member of committee for promoting natural childbirth
- 36- Member of environmental health committee
- 37- Member of crisis and disaster committee 2015
- 38- Member of technical and engineering committee for 1year
- 39- Member of medical document committee
- 40- Member of medicine, treatment and medical equipment committee
- 41- secretary of blood transfusion committee of complex 2012
- 42- Main member of patient education workgroup of rasool akram complex 2013
- 43- Deputy of healthcare affairs complex & 2nd deputy of president
- 44- member of the supervisory board of the complex.2015
- 45- as head of intensive care unit in the hospital 's chart of crisis and disaster committee e.2015
- 46- chairman of hospital meetings
- 47- Deputy of Healthcare Affairs of Rasool Akram Educational, Research and Healthcare Complex.2014
- 48- Deputy of Healthcare Affairs of Rasool Akram Educational,2014

- 49- Member of Medical Ethics and Patient Service Committee
- 50- Member of Patient Education and Safety Committee.
- 51- member of economics and treatment committee at the complex.2016
- 52- IPD physician of the complex2014
- 53- the head of Professional Ethics Committee of Iranian Critical Care Society
- 54- head of intensive care units of the complex.2015
- 55- coordinator of specialized teams of field hospitals at Golestan Healthcare Center.2014
- 56- member Committee for Treatment Economics. Medication Consumable and Capital Medical Equipment at the Complex.
- 57- Member of RCA- FMEA of the complex for one year
- 58- the deputy of the head of committee for myocardial infarction treatment 2015
- 59- Head of Damage Estimation Technical Committee.2015
- 60- Member of Quality Improvement Committee
- 61- Member of Infection Control Committee.
- 62- a Member of Committee for Consumable and Capital Medical Supplies and Equipment
- 63- a Member of Medication and Treatment Committee for one year.2013
- 64- a member of technical safety and occupational health committee for one year.2014
- 65- charge of Establishing Clinical Governance2012
- 66- appointed as the head of the national committee for treatment of respiratory corona virus conditions in intensive care units-2020
- 67- member of the scientific committee of the 2th International Congress on Cardiovascular Anesthesiology 2019
- 68- Advising professor of the students of school of medicine 2009
- 69- Member of the disciplinary first instance Board of said country's medical council 2014

INVITATION LETTER

- 1- as representative of the School of Medicine in the thesis defense session in2020
- 2- the session to review complaints by applicants of the said fellowship 2019
- 3- the test design of the Intensive Care Fellowship Admission Examination 2019
- 4- the administration of OSCE 36th Intensive Care Fellowship Admission Examination2019
- 5- reviewing the assessment results of internship educational program 2020
- 6- the meeting to be held at Shahid Rajaei Cardiovascular Hospital,
- 7- visiting Anesthesiology Board Affiliated with Alborz University of Medical Sciences together 2020.
- 8- interview the applicants who applied for the vacant faculty member positions
- 9- administration 37th Fellowship Admission Examination2020
- 10- meeting to be held at Shahid Rajaei Cardiovascular Hospital,2019
- 11- 2nd consultation session with secretaries of scientific societies.2019
- 12- for Iranian Intensive Care Society 5th International congress 2018 full-time in the three-day congress given your scheduled speech
- 13- representative of School of Medicine for thesis2019 –Dr.Ghafouri
- 14- advising professor in the defense session of Ms. Mahdieh Nourmoham madi, Master's degree student of Nutritional Sciences 2016
- 15- meeting of Medical Supplies Specialized Committee for ICU Affairs 2019

APPRECIATION LETTER

- 1- appreciation letter from Deputy of Healthcare Affairs IUMS for relentless efforts in organizing Ashura national maneuvers
- 2- Appreciation for teaching postgraduate courses in anesthesiology
- 3- Appreciation letter for transform the health system and secure a 1st grade accreditation certificate rasoul akram hospital in 2015
- 4- Appreciation letter 2014 rasoul akram hospital
- 5- appreciation for Achieving brilliant results in the bachelor's degree examinations of 2009
- 6- Appreciation letter from health care Affairs IUMS 2019
- 7- Appreciation for contribution to National Workshop on Developing Relative Rates for Anesthesiology and Intensive Care 2013
- 8- appreciation for collaboration to present informative articles and scientific content in Rasoul Akram Educational and Medical Complex's periodical (Namad) in 2017
- 9- appreciation for invaluable efforts to implement hospital committee goals to ensure patient satisfaction
- 10- Faculty Member of Iran University of Medical Sciences,
- 11- appreciation for interviewing who applied for the vacant faculty member positions in the 15th
- 12- implementation of national Ashura Maneuvers 2015

ASSIGNMENT

- 1- evaluate the Specialized Neuro anesthesiology Program 2020
- 2- evaluate the Anesthesiology Board Certification Program offered at Babol University of Medical Sciences 2019
- 3- Anesthesiology Board Certification Program offered at Hamedan University of Medical Sciences 2020
- 4- Anesthesiology Board Certification program offered at Ahvaz University of Medical Sciences 2019
- 5- Anesthesiology Board Certification program offered at Mashhad University of Medical Sciences 2019
- 6- Anesthesiology Board Certification program offered at Golestan University of Medical Sciences 2019
- 7- Anesthesiology Board Certification program at Rafsanjan University of Medical Sciences 2019
- 8- Anesthesiology Board Certification program at Hamedan University of Medical Sciences 2019
- 9- Anesthesiology Board Certification program at Kerman University of Medical Sciences 2018
- 10- Anesthesiology Board Certification program at Golestan University of Medical Sciences 2017
- 11- Intensive Care Ward Babol University of Medical Sciences 2018
- 12- Intensive Care Ward Baghiyatollah University of Medical Sciences 2017
- 13- Intensive Care Ward (sub-specialty) affiliated with Gilan University of Medical Sciences 2017
- 14- Intensive Care Ward Shohadaye tajrish hospital 2017
- 15- Cardiovascular Anesthesiology Fellowship Program affiliated with Esfahan University of Medical Sciences 2016

- 16- Intensive Care Ward Mazandaran University of Medical Sciences 2019
- 17- Anesthesiology Certification of Alborz medical sciences university 2019
- 18- intensive care Fellowship Program Gilan University of Medical Sciences 2019
- 19- Intensive Care Ward Esfahan University of Medical Sciences 2016
- 20- Intensive Care Ward kashan University of Medical Sciences 2017

ADJUDICATION

- 1- the patent for Design and Manufacture of New Oxygen Mask for Nasogastric Intubation Patients 2015
- 2- the patent for Artificial Respiration Mask for CPR Cardiopulmonary Resuscitation 2015
- 3- the patent for Design and Manufacture of New Oxygen Mask for Nasogastric Intubation Patients

Volunteer Experience

- 1- Member of the group of volunteers to help in accidents and emergencies of the Medical Organization of the Islamic Republic of Iran.

SPEAKER CERTIFICATION

- 1- 4-hour hospital training course on Incident Command System-, 2012.
- 2- invaluable presence in 7th International Congress of Critical Care- 2020 as a member of the scientific committee as well as a speaker.
- 3- 2nd International Congress of Cardiac Anesthesiology 2019 at Razi International Conference Center, contribution and speech at the congress
- 4- instructor in a 40-hour training course on "Nursing Care in ICU-2015 of HR Education and Empowerment Committee
- 5- as a member of the scientific committee as well as a speaker 6th International Congress of Cardiac Anesthesiology & international congress of critical Care 2019 at Razi International Conference Center,
- 6- instructor in a one-day workshop on "Echocardiography in Intensive Care" was held at the conference hall of Sina Hospital 2012,
- 7- instructor in "intensive Care Programs was held at Imam Conference Hall-2011
- 8- 5th International Congress on Pulmonary Diseases, intensive Care and Tuberculosis, held by Research Center for Tuberculosis and Pulmonary Diseases on 2011
- 9- a workshop on "Analysis of New Solutions in Nosocomial Infection Care System" in 2011
- 10- 8-hour educational course on "Nursing Care Station in ICU" in 2018,
- 11- 6-hour educational course on "Nursing Care Station in ICU" in 2018
- 12- Scientific Conferences of Rasoul Akram Educational and Medical Complex held in Tehran, Tehran University of Medical Sciences, in 2011

- 13- conference on Nutrition in Intensive Care Units was held in the city of Tehran by the Iranian Scientific Society of Intensive Care in 2019
- 14- conference on Nutrition Support for Severely Ill Patients in Intensive Care Units in the city of Tehran by the Iranian Scientific Society of Intensive Care in 2018
- 15- conference on Fundamentals of Mechanical Ventilation in Intensive Care Unit in the city of Tehran by Iranian Scientific Society of Intensive Care in 2018
- 16- COVID-19 Treatment in Tehran University of Medical Sciences in 2021
- 17- Management of Trauma Patients in the city of Tehran by the Iranian Scientific Society of Emergency Medicine in 2018
- 18- seminar on Clinical Challenges of Infectious Diseases in the city of Babolsar by Mazandaran University of Medical Sciences in 2019
- 19- conference on Renal Failure and Its Treatment in Intensive Care Unit in the city of Tehran by Iranian Scientific Society of Intensive Care in 2018
- 20- Hemostasis in Trauma by Tehran University of Medical Sciences in 2018
- 21- National Congress on Cardiac Anesthesia by Iranian Scientific Society of Cardiac Anesthesia in 2019
- 22- Sonography Applications in Pain Medicine, Regional Anesthesia and Intensive Care by Iranian Scientific Society of Regional Anesthesia and Pain in 2019
- 23- Nutrition Therapy in Cardiology by Shahid Rajaei Cardiovascular Medical and Research Center in 2020
- 24- Congress on Intensive Care Systems, Technology and Management by Shahid Beheshti University in 2018
- 25- the 7th Annual Congress of Iranian Intensive Care by the Iranian Scientific Society of Intensive Care in 2019
- 26- 5th Annual Seminar of Iranian Intensive Care by the Iranian Scientific Society of Intensive Care in 2017
- 27- 6th Annual Seminar of Iranian Intensive Care by the Iranian Scientific Society of Intensive Care 2019
- 28- 43rd annual Scientific Congress of Iranian Association of Surgeons by the Iranian Association of Surgeons in 2019
- 29- Annual Congress of Emergency Medicine by the Iranian Scientific Society of Emergency Medicine in 2018

CERTIFICATE OF ATTENDANCE

- 1- workshop on Basic & Advanced Article Writing 2011
- 2- 25th ESICM LIVES Annual Congress 2012
- 3- workshop on EndNote 2012
- 4- attended a Vygon PICC and Midline training session 2013
- 5- Fundamental Critical Care Support Course Certificate of Successful 2013
- 6- Workshop on preoperative bleeding management Istanbul 2012
- 7- 5th International Congress of Interventional Pain Medicine and 7th Annual Congress of Iranian Society of Regional Anesthesia and Pain Medicine 2014
- 8- workshop on Basic and Advanced Article Writing 2012
- 9- 35th International Symposium on Intensive Care and Emergency Medicine 2015
- 10- introduction to Electronic Sources and Ovid Databases 2015
- 11- 29th ESICM LIVES Annual Congress 2016

- 12- Basic and advanced critical care Ultrasound workshop 2016
- 13- 1Qth Key Opinion Leaders Symposium 2017
- 14- 30th ESICM LIVES Annual Congress 2017
- 15- basic course in Echocardiography 2017
- 16- Iranian cardiovascular course with EVC 2017
- 17- Symposium on Importance of Preventing Pressed Ulcers in Hospitalized Patients 2017
- 18- Theoretical and Practical Course on Vascular Access Systems 2017
- 19- 11u1 Annual Congress on Coloproctology and h1continence 2017
- 20- TTM skill training 2017
- 21- workshop on introduction to PMP and Key Features Test Administration 2017
- 22- Regional conference Hemodynamic Monitoring by EACCME 2017
- 23- workshop on Designing Multiple Choice Questions 2017
- 24- 9th Seminar on Hospital Management with a Focus on Management Empowerment in Hospitals 2017
- 25- in workshop on Implementing Effective Educational Journal Clubs 2017
- 26- workshop on Advanced Patent Review and Search 2017
- 27- workshop on Introduction to PMP and Key Features Test Administration 2017
- 28- VENTILATION MASTER CLASS turkey 2017
- 29- ESICM 2018 MC Certificate_Mechanical ventilation
- 30- ESICM 2018 MC Certificate_Metabolism
- 31- ESICM 2018 MC Certificate_Practical aspects of RRT
- 32- workshop on Scientometrics 2018
- 33- Neurological Intensive Care in Intensive Care Units 2018
- 34- Full Parenteral Nutrition in Intensive Care Units 2018
- 35- Renal Failure and Its Treatment in Intensive Care Units 2018
- 36- Implementing Effective Educational Journal Clubs 2018
- 37- Nutrition Support for Severely Ill Patients in Intensive Care Units 2018
- 38- 5th Annual Seminar of Iranian Intensive Care 2018
- 39- Nutrition Support for Severely Patients in Intensive Care Units 2018
- 40- workshop on Basic Research Methodology 2018
- 41- workshop on Implementing Effective Educational Journal Clubs 2018
- 42- Intensive Care Medicine 2018
- 43- 32th ESICM LIVES Annual Congress 2019
- 44- Advances__ in Assessing and Managing tissue Perfusion and Oxygenate in Critical Care 2019
- 45- CoA Master Class - EDIC I refresher 2019 course
- 46- target Temperature management master class vumc 2019
- 47- conference on Nutrition in Intensive Care Units 2019
- 48- seminar on Sonography Applications in Pain Medicine, Regional Anesthesia and intensive Care 2019
- 49- Conference on Nutrition in Intensive Care Units 2019
- 50- workshop Howto read systematic review article 2019
- 51- 3rd International Clinical Nutrition Conference 2020
- 52- 7th National Congress on Intensive Care 2020
- 53- Advanced Patent Search 2020
- 54- Mendeley Reference Manager 2020
- 55- 25th ESICM LIVES Annual Congress is accredited by the European Accreditation Council for Continuing Medical Education [EACCMEI] to provide the following CME activity for medical specialists. 2012

- 56- Workshop on preoperative bleeding management Istanbul 2012
- 57- attended a Vygon PICC and Midline training session 2013
- 58- Fundamental Critical Care Support Course Certificate of Successful 2013
